

Amen

Count to three and say a prayer
Down for love and up for air
Underwater, overjoyed
Water for a thirsty soul
Water for a thirsty soul

Baptize me into Your love
Oh my spirits overcome
Body, mind, and skin, bone
Love Him, wanna make it known
Love Him, wanna make it known

[Luke Smallbone:]
I'm comin' alive with You
I'm comin' alive with You
I was livin' a lie 'til you
I'm comin' alive with You

All the people say
Amen! Amen!
All the people say
Amen! Amen! Amen!
Yeah!

[Joel Smallbone:]
Resurrection day is here
Bells are ringin' loud and clear
Caterpillar to a butterfly
Reason to another life
Reason to another life

[Luke Smallbone:]
Yeah, I'm comin' alive with You
I'm comin' alive with You
I was livin' a lie 'til you
I'm comin' alive with You

All the people say
Amen! Amen!
All the people say
Amen! Amen! Amen!
Yeah!
Amen!
From death to life (Amen!)

From dark to light (Amen!)
I'm singin' out tonight (Amen! Amen!)

You're in my blood, my veins
In every word I pray
You gave it all for me
I'll give it all for You
Oh, I'm in love with You
Overwhelmed by You
And if the world is listenin'
This is my confession
You are my obsession

(You are my obsession)

All the people say
Amen! Amen!
All the people say
Amen! Amen! Amen!
Yeah!
Amen!
From death to life (Amen!)
From dark to light (Amen!)
I'm singin' out tonight (Amen! Amen!)
Yeah!
